PRESENTATION OF FACTS
IN TYPE AND PICTURES
OF THE SCHOLASTIC YEARS OF
1934 and '35

Morgan Park High School

DEDICATION

The 1935 Empehi graduating class has the unusual distinction of having among its graduating members its own beloved principal. As together we go out from the happy experiences and memories of Empehi we wish the occasion to be joyous rather than sad. We therefore commemorate this event by an appreciation of our devoted friend and leader.

Mr. Schoch has been principal of our school nearly twenty years. When he came here in 1916, he was principal of the elementary and high school which together had an enrollment of 1483 students. He turns over to his successor a high school of 2300 students. More than 4000 students have been graduated during these years. The influence of his life and work is indeed far reaching upon the training, character, and ideals of these young people.

In June, at which time his age requires him to retire, Mr. Schoch will have finished thirty-six years of work in the Chicago schools and fifty years in school work.

Mr. Schoch had a broad experience and background for his many qualifications as an educational leader. He was born in Germany and brought to America when a small child. When seven years of age his parents returned to Germany where Mr. Schoch was educated in the public schools until he was eighteen. Again the family returned to America and settled in San Antonio, Texas.

Here Mr. Schoch became a teacher in the public schools and was elevated to the principalship. After ten years he entered Harvard University where he received his degree. He was then elected superintendent of the San Antonio schools, a position which he held until he came to Chicago in 1899.

After teaching mathematics in the Normal School of Chicago, Mr. Schoch transferred to Crane High School where he taught for three years. In 1906 he was made principal of the Yale grammar school and in 1916 was transferred to the Morgan Park High School where he has served continually since.

Along with all this teaching and administrative work he found time to do scholarly and creative work. His textbooks have made the path easier both for students and for teachers. They are clear, easily understood and sound. His books are, "Grammar Essentials," and "First Year Algebra."

But it is as a man and friend that we love to remember Mr. Schoch—the kindly twinkle in his eye, his sympathetic insight, his wise council, his example of courage, his firmness when need be, and his practical helpfulness in any need. He will always be remembered by us with sincere affection.

In sincerest appreciation of what his life and devoted service mean to us, we lovingly dedicate this annual to our fellow graduate and wish him many happy years of prosperity.

THE CHANGING WORLD

(Tempora mutantur, et nos mutamus in illis)

IS YOUTH the same today as yesterday? Essentially, yes. It has the same normal tendencies. It also craves success and happiness. But yesterday these objectives were gauged in material values, which were then easy enough to obtain. Emphasis was placed upon vocational training, preparation for a job, with the almighty dollar as the goal; and success and happiness depended on the possession of it. Today, however, the outlook is different. Jobs are scarce and not so remunerative as yesterday. Our young people must seek happiness through other channels than those which only wealth will open. Money after all, isn't everything in life. There are spiritual values which no money can buy.

"Can gold calm passions, or make reason shine?
Can we dig peace, or wisdom, from the mine?
Wisdom to gold prefer; for 'tis much less
To make our fortune, than our happiness."

Life is a game with ever-changing values, and there has never been a time when changes have been so numerous and have come upon us with such appalling rapidity as the present. The youth of today must face these facts and meet them courageously. In his endeavor to play the game, he will need the sympathetic guidance of his elders, his parents and teachers. Their enlightening advice and comforting example will mean much to him. More than ever does it devolve upon the teaching profession to emphasize spiritual values rather than material values.

I have played my part in this game, whole heartedly, trying to give the best within me, unmindful of the score, and smiling even in defeat, knowing that, in the long run, honest effort would bring the desired result. If I have contributed to the happiness and future well-being of the pupils under my care, I shall consider my part well done.

WILLIAM SCHOCH

WHO'S WHO—FEBRUARY

JACK SCHWARZ

The name of Jack Schwarz will long be remembered in Empehi. Jack was outstanding in athletics and class leadership. The attractive combination of ability, sincerity, naturalness, and the will-to-do made his character a most fitting example to hold before the school.

During Jack's career as a football hero he kept up his work scholastically. When the time came for graduation, his class was proud to have him represent them at their commencement exercises.

ESTHER JACOBS

Esther held the highest office in the school—that of the Student Association President; held offices in Tau Epsilon, French Club, and Zoology Club. In addition to such a record, she has the credit of being a member of the Girl's Glee Club, Girl's Emblem Club, Girl Reserves, and Quilpen.

She is the possessor of keen executive ability and has a capacity for good hard work. She ranked "in the top ten" scholastically, and undisputably first in the hearts of her friends.

BETTY TREDWELL

She is a "peachy" person—this Betty Tredwell; and she is a clever one, too. Certainly, only one with versatility could hold Betty's place in our ranks.

She was Vice-President of her class; Recorder for the Student Court; and a member of the Social Committee, Girl Reserves, Tau Epsilon, and the Girls' Emblem Club.

It is with one regret that we see Betty's name in "Who's Who"—for there is a mark of finality in its being there, which means we must say good-bye to a regular girl.

HERB WELHENER

Would it be vulgar to say "Wattz man, Welhener?" Truly, we find it quite expressive after glancing at his record of achievements among us.

First, and most important on the list—Vice-President of the Student Association. This honor is closely followed by: President of Board of Control, President of Hi-Y, President of his 4B Class, and School Chairman of the Chicago Association of Commerce Clean-up Campaign.

Walter Dickey

Helen Banger

Polly Stansbury

Allan McNeill

WHO'S WHO—JUNE

WALTER DICKEY

We may be wrong, but it seems to us that Walter Dickey has all the characteristics of a successful business man to be. *And* we have proof! He was manager of both the baseball and basketball teams—of the latter, for a year and a half. Also, he was an active member of the Finance Committee; nor do we forget his active work in the Hi-Y and Emblem Clubs.

In short (as Mr. Micauver would say), Walter *was* an asset and *will be* a loss to Empehi. May we wish him luck!

HELEN BANGER

What are we going to do now that our versatile and charming Helen Banger has left us? It is hard to tell. Perhaps old Empehi will be able to limp along somehow, but it will be greatly handicapped by her absence.

During her stay here at Morgan Park, Helen was Vice-President of her Senior class, Chairman of the Student Court, Treasurer of the Girls' Glee Club and the Dancing Club, as well as a member of the Pep Committee, French Club, Tau Epsilon and Girl Reserves.

PAULINE STANSBURY

Polly is so tiny that it is a wonder she made her voice heard in this congregation of lumbering huskies we call Empehi. But, she certainly did. You see, Polly is very musical. Not only does she sing, but she plays the piano beautifully, as well. She was an officer in the Girls' Glee Club, and took part in several operettas—usually a leading role. Also, Polly was Vice-President of the Student Association. She was a member of the Dramatic Club and on the Executive Committee.

ALLEN McNEILL

Could we have a complete "Who's Who" without the name of Allan McNeill? Before answering, consider what follows:

This tall, handsome lad has become a well-known figure around Empehi and his absence will be keenly felt. "He's the top" in baseball and basketball. Besides being an outstanding athlete, he managed to rank high scholastically.

Allen was a member of the Emblem Club and the Senior Hi-Y. His is one honorable membership added to the lists of members of which these two organizations can boast.

FEBRUARY CLASS

The popular captain of the football team, Jack Schwartz, held the position of president of the February Class of '35. Betty Tredwell was the vice-president and in charge of the social functions. Doris Holtsburg was the secretary and Frank Fitch, as treasurer, was chairman of the budget committee.

The seniors who were in charge of the various committees were: Adele Scott, ring; Barbara Wilcox, commencement; Jane Long, announcements; Muriel Burns, senior day;

Caroline Smeck, assembly; Jack Kinsella, prom; and Donald Duffey, class gift.

The February Class gave a successful prom at the Ridge Park Field House and a hilarious senior assembly. The Senior Class Day consisted of a Kid Day and a social that brought the events of their High School career to a climax. The last remembrance the school holds of these outstanding seniors is their donation of money to the stage for their class gift.

JUNE CLASS

The largest class to graduate from Morgan Park was the June Class of 1935. The officers of the class included: Herbert Cornelius, president; Helen Banger, vice-president; Dorothy Johnson, secretary; Walter Dickey, treasurer. The chairmen of the various committees, elected by the Senior Council, were: Thomas Jacobs, ring; Walter Hamilton, commencement; Jack Penson, announcements;

Ruth Reinhardt, senior day; Allen McNeill, assembly; Doris Nyvall, class gift. Helen Banger and Walter Dickey were chairmen of the social and budget committees respectively.

At the time this annual went to press plans were incomplete, but it had been planned to spend one hundred dollars for a class gift, and to sponsor a spring dance.

THE ANNUAL STAFF 1935

Finished! The hard tasks of producing a yearbook have finally come to a climax—Result—EMPIHI OF 1935.

Even though the staff room has been in a turmoil the last semester, we hope we are presenting to the student body a finished publication of our efforts to have an annual with new ideas.

The ideal of our editor, Mary Jane Ray, was to create a book that would be a worthy remembrance of the academic year 1934-35.

We are greatly indebted to the artistic

touches of Dave Wylie. Although we cannot mention the work of each individual on the staff, the following had charge of various sections:

Kay Bethke, Literary Editor; Herb Wall, Sports; Greg Barker, Snapshots; Gordon Crowder, Advertising Manager; Arnold Schenk, Business Manager.

Last and greatest we owe our faculty adviser, Miss Dorothy Holder, the most for her help and guidance.

EMPHI NEWS

Dorothy Swift, editor-in-chief during the 1934-1935 season, was truly the inspiration of the staff with her enterprising ways and her new ideas. It was through her persistence, aided by the news staff, that it was possible to give the Student Association members an eight-page tabloid newspaper weekly.

During the past semester the EMPEHI News has had many of its staff members take part in the contest sponsored by Quill and Scroll, International Honor Society for high school journalists. Parke Loren, Paul Henderson and Roger Anderson were the three journalists who entered interviews; Dorothy Swift, Howard Coyle, and Ruth Hatfield submitted news stories, Victor Glickman, a sport story and Jean Clasper, her column, "Star Dust." The staff members also participated in the submitted and extemporaneous contest held by the Greater Chicago Scholastic Press Guild. The EM-

PEHI News submitted editorials by Howard Coyle and Betty Dean; interviews by Loretto Devitt and Allen Cunningham; general features by Ruth Hatfield and George Engelmann. In the extemporaneous division news stories were entered by Dorothy Swift and Victor Glickman; editorials by Paul Henderson and Howard Coyle; features by Ruth Hatfield and Parke Loren; current events by Allen Cunningham and George Engelmann.

Those of the staff who were graduated in February or are being graduated this June are: Dorothy Swift, Herbert Allshouse, Norman Camit, Howard Coyle, Ina Anderson, Victor Glickman, George Engelmann, Donald Ormsby, Marian Vanderkloot, Eunice Zimmerman, David Wylie, Claribel Aiken, Faith Bingham, William Kalke, Jean Clasper, Craig Davison, Allen Taylor, Jack Brigham, Betty Symons, and Betty Dean.

QUILL AND SCROLL

The Morgan Park chapter of Quill and Scroll, the international honorary society for high school journalists, was organized by Miss Margaret Sturgeon in 1929. Every student must meet five requirements before becoming a member. He must be of junior standing, be in the upper third of his class, have done superior work in some phase of journalism, be recommended by the adviser and be approved by the national executive secretary.

J. A. Lyons, representative of the Mergenthaler Linotype Company, was speaker at the January meeting, to which all students of journalism were invited. Members of Quill and Scroll send contributions in many branches of literary work to the National Quill and Scroll contest yearly. Each year, the club holds a banquet in the spring

semester for its members and the Empehi News Staff.

The club elects two sets of officers each year. The first, which served during the fall semester, were Norman Camit, president; Ina Anderson, vice-president; Jean Clasper, secretary; Donald Ormsby, treasurer. The officers for the spring semester were Jean Clasper, president; Ruth Hatfield, vice-president; Ina Anderson, secretary; George Engelman, treasurer; The members of Quill and Scroll who were graduated during the year are Herbert Allshouse, Ina Anderson, Norman Camit, Jean Clasper, Arthur Clauser, George Engelman, Donald Ormsby, Dorothea Rades, Dorothy Swift, Betty Symons, Allen Taylor and Eunice Zimmerman.

BUSINESS STAFF

Many students of Morgan Park are unaware of the important part the Business Staff plays in the publishing of their weekly newspaper, *The Empire News*. The Business Staff is responsible for the distribution of the papers to the pupils, and the sending of the papers to the various schools and individuals on the exchange list. The Business Staff also solicits advertisements. The revenue obtained from these advertisements helps to support the paper.

Besides performing these duties the Business Staff takes care of the financial department of the annual. All advertising in the annual is obtained through the Staff, which also handles the club contracts. In these ways this Staff proves itself a little known, but indispensable organization.

Under the direction of June Long, the first semester, and Arnold Schenck, the second semester, the Business Staff has completed a very successful year.

HI-Y

The Beverly Hills Community boasts of fourteen "Y" clubs out of which grew the "Y" club, honor Hi-Y club of the High School and community.

To become a member of the Hi-Y one must pass six tests and get at least fifty points from the following list: participating in Student association activities, athletics, military, music, dramatics, scholarship, literary, and other approved activities.

Since the organization of the Hi-Y club, it has sponsored many things. A vocational guidance campaign, sponsoring a series of three Sex Hygiene Lectures, helping in the annual community Hobby show, and presenting the assembly given by Mr. Laurant, with other organizations. These are but a few of the accomplishments of the Hi-Y club.

TAU EPSILON

Tau Epsilon, the school honor society, has grown from a beginning in 1924 to the largest club in the school. The purpose of the club is the encouragement of scholarship throughout the school. The requirements for entry into the society include an average of eighty-five in four major subjects with no grade below eighty, and the earning of four honor points. These honor points are received for many activities such as being an officer of a school club, having grades of ninety or over, and taking part in some extra activity or service to the school. All members must meet this requirement test every semester to maintain their standing in the club.

Some of the activities that were sponsored

by Tau Epsilon during the past year were: the school ping-pong tournament, a dance, an assembly, a movie, and a county fair. This year a tutoring system for all students with low grades was inaugurated and proved a success. Every year Tau Epsilon has awarded prizes to the highest ranking graduate, and to those who retain their membership through all semesters in their attendance at this school.

The officers for the fall semester were, Martin Miller, president; Muriel Burns, vice president; Jean Wright, secretary; and Robert Hayden, treasurer.

GIRLS' GLEE CLUB

The purpose of the Girls' Glee Clubs is to promote choral work for the better understanding of vocal harmony. The Clubs represent the school in all vocal productions, contests, and entertainment. They also sponsor voice classes, instructed by Mr. Arthur Kraft, well known composer and singer. Any Student Association member may obtain membership in these clubs by passing the vocal test given by the instructor

in music. He must have two credits in music exclusive of the band before he will be admitted.

The officers of last year's clubs were Jessie Van Allen, Jane Ann Vaupel, Presidents; Helen Banger, Kathleen Cummings, Vice Presidents; Dorothy Johnson, Ella Jean Estep, Treasurers; Jane Nichols, Sue Barclay, Secretaries.

BOYS' GLEE CLUB

Among the many musical organizations of Empehi is the Boys' Glee Club, composed of boys who are interested in, and who appreciate music. The club has been a large factor in the success of many of the school's productions.

The organization has been in existence for many years and as long as the school provides a teacher there will be a group known as the Boys' Glee Club.

The officers for the fall semester were: Robert Hayden, president; Dick White, vice-president; Gerald Gadsden, secretary and treasurer. The officers chosen for the spring semester are Gerald Gadsden, president; Paul Thomas, vice-president; Robert Hayden, secretary; and Robert Lammedee, librarian.

A CAPPELLA CHORUS

The Morgan Park A Cappella Chorus was originated in the fall semester of 1934. The purpose of the group, as the name implies, is to study and work with music unaccompanied. In the short time that the organization has been in existence it has accomplished much in the way of quality of tone and expression. Under the leadership of Mrs. Hartle the A Cappella Chorus took part in the recent production "1934 Noel," and produced some striking effects. They also appeared in the May Festival.

The chorus, at present, numbers about

forty-five members, but it is hoped to gradually increase the number until a larger group is assembled. However, quality of tone and musical efficiency will not be slighted for the sake of a large chorus.

The original officers chosen by the group were: John Hudell, president; Robert Hayden, vice-president; Jean Sorrell, secretary; Martha Van Gorkam, treasurer. The officers for the Spring Semester were: Robert Hayden, president; Faith Henderson, vice-president; Mary Gifford, secretary; Ted Zanstra, treasurer.

THE BAND *Capt. Hartle*

Organized to promote instrumental music in Morgan Park, the Band has been very active during the past year.

Under the splendid leadership of Captain Guy D. Hartle, the Band participated in the May Festival. The Concert, or advanced Band has played at assemblies, alternating with the Orchestra. For the Parent-Teacher Association's Fathers' Night, the Band presented a short concert.

In the operetta, "1934 Noel," a small group of Band members played in the instrumental ensemble. In conjunction with the Ridge Forum, the Band sponsored a successful movie. Besides these activities, the Band has been of service to the community whenever possible.

But these are minor points compared with

the great honor brought to our school by one of the Band members. William Mohlman, first bassoonist, won the National Solo contest for bassoon players in the year 1934.

Major letters in the Band were awarded in both semesters, and a uniform sweater design was adopted, as well as a point system for the letter award.

The officers in the Band, for the first semester were: president, Arthur Clauter; vice-president, Oliver Durrant; treasurer, Frank Benjamin; and secretary, Richard Roper. For the second semester, the officers were: president, William Mohlman; vice-president, June Greenwood; treasurer, Frank Benjamin; secretary, Carl Mies; and sergeant-at-arms, Robert Mohlman.

THE ORCHESTRA

To give the students a better understanding and a deeper appreciation of music is the aim of the orchestra. Here, any pupil who wishes to develop his talent has a wonderful opportunity to do so.

The orchestra plays not only for its own development, but has played for other organizations. This year the orchestra played for the operetta, "1934 Noel," for Dramatic Club performances, alternated with the band for the assemblies, and sponsored a movie. The orchestra plays for both the February and June commencement. Last semester the orchestra was given permission to issue major

letters to pupils who have completed certain requirements.

The officers for the first semester were: president, Charlotte Carman; vice-president, Bertil Peterson; secretary, June Greenwood; treasurer, Bittles Mills. The officers for this semester are: president, Charlotte Carman; vice-president, June Greenwood; secretary, Edward Cole; treasurer, Kay Parker.

Captain Hartle deserves a great deal of credit for his patient and successful work with Empehi's orchestra.

DRAMATIC CLUB

The Dramatic Club, whose aim is to cultivate a greater appreciation and a better understanding of dramatic art, has enjoyed a highly successful year. In keeping with the policy of the advisor, Mary Ellen Dwyer, each member of the Club has made at least one appearance before an audience.

During the past year, the Dramatic Club has entertained at six assemblies and has provided entertainment for Morgan Park P.T.A.

on two different occasions. It has also taken an active part in other school productions, providing both direction and principles.

The Club secured its funds from a performance to which admission was charged and has contributed generously to the scholarship fund. It has completed its year with a performance to which the friends of the members were invited as guests.

GIRL RESERVES

The group of Girl Reserves who meet the third period have tried, throughout the past year, to carry out the ideals for which the organizations were formed by the Y.W.C.A.

During the past semesters the members have tried to be: "Gracious in manner, Impartial in judgment, Ready for service, Loyal to friends, Reaching for the best, Earnest in purpose, Seeing the beautiful, Eager for knowledge, Reverent to God, Ever dependable, Sincere at all times"—these things their code suggests.

Regular meetings were devoted to discussions of subjects of immediate interest to the girls, and playing games conducive to good fellowship. Projects included: a Christmas Assembly (in conjunction with the Ninth

Period group) in which the entire club took part; Annual Fudge Day; and the collection of sugar for the unfortunates in the Oak Forest Infirmary.

Fall semester officers were as follows: Kay Cummings, president; Grace Reed, vice-president; Ruth Hatfield, secretary; Audrey Strobel, treasurer.

Spring semester officers were as follows: Grace Reed, president; Caroline Tompkins, vice-president; Ruth Hatfield, secretary; Marjorie Hibbard, treasurer.

The adviser for the first semester was Miss Holder, and when time did not permit her to be with us again, Miss Bessie B. Bell kindly took the position for the spring term.

To become a member of the club, a pupil must be studying third or fourth year Latin or have passed his 2B semester with the grade of 85 or better.

The annual banquet usually held on April 21, the alleged date of the founding of Rome

and also the club itself, was given on April 11 this year.

The movie, "Little Women," sponsored by the club in February at Blackwelder Hall and also a "Comic Tag" day, held on April Fool's day, helped to enrich the treasury. A beach party was given for the members.

The club was under the capable guidance of Miss Petty throughout the year.

The Spanish Club has succeeded this year in its purpose of promoting interest in Spanish by many activities. By means of movies, slides, and lectures by its members, Spanish students have been conducted on "arm-chair" tours of various Spanish speaking lands. A colorful "fiesta," giving a truly Spanish atmosphere, was enjoyed by the members of the club. The entire student body enjoyed the Pan-American Airways film, which, introduced by Mr. A. T. Financial support was obtained from the movie sponsored during the Fall semester and the highly successful annual doughnut sale early in the Spring.

LITERARY CLUB

The Literary Club has continued its progress towards a better understanding of late books during the last two semesters. When a new book comes on the market some member is sure to read it and then to introduce it to the club with a few explanatory remarks, thus, usually beginning some very interesting and exciting debates. The meeting that stands out in the minds of most of the club members, is the one at which Gertrude Stein and her works were discussed.

Besides the interesting and entertaining meetings, the Literary Club also made two expeditions to the Loop. The first was on Saturday, January 19 to see Dicken's "Great Expectations," and the second was to see the Globe Theatre Players at the Studebaker in the "Taming of the Shrew" and "Twelfth Night," on Saturday, January 26. The par-

ticipants of the expeditions thoroughly enjoyed themselves both nights.

The members of the club presented their annual assembly on May 24. The assembly consisted of a one act comedy, entitled "Mother Was Right" by Weare Holbrook.

All the members of the club feel sure that the success of the club in its various ventures is due to the unfailing faith and help given them by the faculty adviser, Mrs. Evangeline Hibbard.

The fall semester saw the club under the guidance of Dorothea Rades, president, Ruth Hatfield, vice-president; Ina Anderson, secretary-treasurer. For the spring semester the officers were Ina Anderson, president; Ruth Asher, vice-president; Jean Glass, secretary-treasurer.

THE DANCING CLUB

The aim of the Dancing Club is to promote an enthusiasm for dancing among the girls of the school. This club sponsors the promotion of tap and aesthetic dancing.

Every year this organization presents an assembly which is an exhibition of the work accomplished in the club. The largest and most popular of the club's projects is the participation in the annual musical production of the school. This year the dancing club contributed talent to the production, "1934 Noel" and the "May Festival."

A membership to this club is open to any girl who is a member of the student association and who has successfully participated in any public performance or is able to pass the try-outs offered by the club.

The Dancing Club is the only organization in the girls' physical education department that is money-making. Therefore, this club has almost entirely financed the major emblems for the physical education department for the past several years.

COMMERCIAL CLUB

In December, 1929, the Commercial Club was organized with a threefold aim: to render service to the school, not only through the Student Exchange, but by furnishing efficient commercial work to any teacher or club desiring it; to broaden the business outlook of the members by means of excursions to various business houses and exhibitions, and through instructional talks from members of the business world; to provide more social life for commercial students.

Various school projects are benefitted by donations made by the club from the profits

of the Student's Exchange. During the fall semester \$164.50 was donated to these projects.

The officers of the club for the first semester were Paul Schwaighart, president; Marie Luxen, vice-president; Ruth Reinhardt, secretary; Harry Nicholson, treasurer; and Mary Glass, alumni-secretary.

Officers for the second semester were Ruth Reinhardt, president; Harry Nicholson, vice-president; Robert Haglund, secretary; Virginia Crowley, treasurer; and Ruth Asher, alumni-secretary.

ZOOLOGY CLUB

The Zoology Club of Morgan Park High School consists of about fifty-five members, students who have taken Zoology and received a grade of eighty-five or better. The club was formed to promote interest in Zoology. Miss Lucy Babcock has been the faculty adviser since its origin and has done much to promote and advance the club in every way.

During the spring vacation the Zoology Club sponsors a trip to Turkey Run. This year about twenty-five members went on this trip and, as usual, had a good time.

The officers for this semester are as follows: Edward Cole, president; Anna Mac Savidis, vice-president; Margaret Dick, 2nd vice-president; Jane McKnight, secretary; Nancy Shipner, treasurer. Last semester the Zoology Club was inactive because a time for the regular meetings could not be arranged. However a new club constitution was written by the president, Edward Cole, and the club has been accepted again by the Board of Control.

EMPEHI STAGE CREW

The Stage Crew is an organization consisting of eleven technically-minded students who have the custodianship of school properties valued in excess of \$8,000.00. The Stage Crew's duties range from preparing the stage for music classes to planning and producing scenic effects for the various theatrical productions. The crew collaborates with the Student Association, the Ridge Forum, the Parent-Teachers' Association, and other community groups in presenting entertainment to the students of Empehi and the residents of the Ridge.

Each of the members of the crew must be trained in teamwork and the care and handling of the stage equipment. It is necessary

for him to devote a large portion of his spare time to stage work in order that he may execute his duties swiftly and accurately.

The valuable aid of our faculty advisor, Curtis A. Hunter, plays an important part in the work of the crew. Our successful work is due largely to his guidance and cooperation. His right hand man is the stage manager. This position is attained through appointment by Mr. Hunter. Bob Adams was stage manager the first semester and Arthur Johnson the last semester.

In the coming year we will do all in our power to make our part of your entertainment as fine as possible.

CLISSOLD BRANCH

Empehi has further added to its dignity and prestige by opening up a branch. We had always felt more or less neglected because most of the other high schools had them and we didn't. But now we can hold up our heads with pride because we think that ours is quite the nicest branch in the city.

It was established last fall in the Clissold Elementary School due to overcrowded conditions in the main building and has certainly proved a great success. A branch of

the Student Association has been organized and is functioning smoothly under the direction of its officers—Shirley Black, president; Marjorie Secord, secretary; and Fred Abrams, treasurer. Keith Ragel was elected treasurer but owing to the fact that he has transferred to a school in Rockford, Fred Abrams was appointed to take his place.

There has been splendid co-operation on the part of the entire Freshman class and it is to this that we attribute the success of our new branch.

OFFICER'S CLUB

The Cadet Officers' Club of the Morgan Park High School R.O.T.C., although a fairly young club, is one of the most active organizations in the school. Under the leadership of its faculty adviser, Sergeant H. E. Parrett and its club officers, it has done many fine things. During the year the club has presented a movie, given two informal parties, and the Annual Military Ball. This last event proved to be the social highlight of the school year.

The club has a threefold purpose: first, to further the interest in the R.O.T.C.; second, increase the morale of the men; and third, to create a better and more friendly

feeling among the officers.

During the year the club has been honored by having two of its members placed on the Brigade Staff of the city.

The officers of the club for the first semester were: Cadet Captain Bourke, president; Cadet Lieutenant Colonel Miller, vice-president; Cadet Major Jacobs, secretary; and Cadet 1st Lieutenant Kammerer, sergeant-at-arms. Officers for the second semester were Cadet 1st Lieutenant Kammerer, president; Cadet 2nd Lieutenant Johnson, vice-president; Cadet Major Jacobs, secretary; and Cadet Lieutenant Colonel Bennett, Sergeant-at arms.

THE USHER FORCE

The Usher Force of the Morgan Park High School is one of the best known service organizations of the school, and was organized in 1926 when the auditorium was built. It consists of thirty cadets of the R.O.T.C., who serve in the capacity of ushers when the auditorium is used for school and community organizations.

The Usher Force receives no pay for these services except that which it earns from the sale of candy at the Friday night movies. This money, known as the Usher Fund is kept by the Ridge Forum. At the end of the school year twenty dollars are given as a prize to the three most efficient ushers selected by Sgt. Parrett, the faculty advisor,

and Captain Lorentz upon the recommendation of the head usher. At the same time, those persons named above, select the head usher for the following year. The remainder of the money is divided equally among the ushers. The profits derived from a movie, sponsored by the club each year, are added to the Usher Fund.

The officers of the usher force are: Thomas Jacobs, head usher; James Bennett, main floor captain; Vernon Kammerer, balcony captain; George Landers, assistant main floor captain; Earl Faschbaugh, assistant balcony captain; and Elmer Johnson, foyer captain.

BOYS' EMBLEM CLUB

The Boys' Emblem Club is composed of all boys who have won major emblems in some field of athletics. The purpose of the club is to promote clean athletics and good sportsmanship throughout the school.

For the past year the Emblem Club and Tau Epsilon, the honor society, have cooperated in helping ineligible athletes. The ineligible students are coached by some member of Tau Epsilon who has specialized in the particular subject in which the athlete is

failing.

The Emblem Club has sponsored various intramural athletics throughout the school year. Each member of the club organizes his own team and the members of the winning teams in the various sports receive buttons.

The club urges all boys to be active in some form of athletics and keep Empehi standing high in interscholastic sports.

BASEBALL TEAM

The return of only two lettermen and three reserves from last year gave Coach Baldwin little on which to build. The lettermen were: Carl Anderson, Bill Overman, and the reserves, Paul Thomas, Tom Jacobs and Herb Cornelius.

The team has fine defensive strength and if the hitting improves, has a good chance of finishing among the leaders. At present the team is in third place with two victories and three setbacks.

The squad has many outstanding players but not enough steady men to round out a championship nine. Jack Brigham, stellar shortstop, is above the average, and with Banger at second, forms one of the best key-stone combinations in the league. Thomas at first, and Jacobs at third complete a good

infield. "Chuck" Mooreman's work behind the bat has proved him capable of filling the shoes of "Howie" McAfee, last year's outstanding catcher.

The outfield is composed of Captain Anderson in center, Overman in right, but when pitching, is replaced by Hartanov or Cornelius in left. The pitching staff includes Overman, McNeill, Gainer, and Yursis, who, as a sophomore, has shown promise of becoming one of the best pitchers ever developed in high school baseball.

The rest of the squad consists of: Franzen, DiCola, Morrow, Larson, Dillon, Kosel, Snethen, and Boyens.

As the annual goes to press the team has a .400 average and with fair success will qualify for entrance in the playoffs.

WRESTLING TEAM

Despite the fact that the squad retained but five of their veteran weight contenders, this major sport completed the 1935 season with a third place in the South Section, and fourth in the city titles.

Richard Roper, 135 pounds, won the first city championship for Morgan Park. Roper defeated every contestant in the field that evening, bringing home the first championship in the school's history. Paul Govedare, 165 pounds, placed second in his class in the city titles. This defeat, suffered in the finals of the Chicago meet, was the first loss by Govedare during the season. Following for third place came Gene Rich, 100 pound contender for the title.

Officially, the Morgan Park matmen succumbed but twice during the season, these two encounters being with the Lindblom and Tilden boys, with top-heavy scores in favor of the opponents. After a somewhat dis-

heartening beginning caused by losses in the two practice meets against Proviso, Morgan Park was confronted by Calumet in the first league meet, winning practically every encounter.

Following much the same order of the previous meet, Coach Antonides' boys walked off that week with four successive victories against Bowen, Fenger, Clark, and Morton. The George Rogers Clark School suffered an overwhelming defeat, Morgan Park winning by 56 points.

As was predicted, the Lindblom squad trounced the Morgan Park men. Tilden also was victorious, winning the meet by a one-sided score in their favor. These last two defeats officially ended the season. The total number of meets in all, unofficial and league, were eleven, in the majority of which Morgan Park was victorious.

Morgan Park for the fourth time in succession tasted victory over their traditional rival Parker. On the opening kick-off by Parker, Captain Schwarz received the ball but was downed on the 16 yard line. Morgan Park drove in with a brilliant display of power out-playing their opponents when the crucial time came. Empehi broke into the scoring column when in the first four minutes they made a sustained march of eighty four yards down through the opposing line. Govedere got into the spirit of the occasion a few moments later and pulling a quick kick from his assortment, put the ball neatly between the enemy goal posts. At the outset of the first quarter Parker got down to business under the scrappy generalship of their captain and opened the way for Ken Woods, a Parker full-back, who skirted and dodged his way for fifty-four yards into Green and White territory, thus making the score practically balanced. A misplaced kick kept Morgan Park in the lead. During the entire last half of the game the two teams were on a par with the plays shifting back and forth between the 20 yard stripes.

CALUMET 6

MORGAN PARK 0

With hopes of swinging into high gear and at last trouncing the Calumet eleven, Morgan Park was disappointed at finding themselves on the short end of 6 to 0 score at the final gun. The first quarter opened with a lot of fumbling due to a very wet field. The two teams battled around in the mud, neither gaining much yardage. Coach Antonides' boys were especially surprised in the second quarter, when Calumet worked down to the shadow of the Empehi goal posts. "Sunny" Dulaga of Calumet broke through for a short sprint of four yards to a touchdown. Schwarz, the hard-driving fullback, tackled but was unable to stick because of the mud. Morgan Park threatened the Calumet goal frequently although not seriously. With the

exception of the third quarter, the Green and White had battled their way down to the ten yard line. Kawalchuck received the ball and fumbled. Calumet, evidently alarmed by the sudden acceleration, exerted all their power and brought the ball back.

HIRSCH 0

MORGAN PARK 13

The Morgan Park eleven showed its teeth for the first time of the year, defeating a weaker Hirsch team by a score of 13 to 0. After a few preliminary plays, Wall circled the Hirsch end, making a spectacular 35-yard run for a touchdown. The try for the extra point failed, but Empehi was in the lead at the half. The second half was characterized by the Green and White's continuous offensive and dangerous proximity to the enemies' goal. Palka, after a long march, finally plunged over the goal for the second touchdown and the kick for the extra point was successful.

Upon returning to the scene of victory for the '33 team, White City, Morgan Park met Wendell Phillips. The fellows surprised their own followers as well as Wendell Phillips by holding the opposing team to a scoreless tie. A week's practice was lost due to unfavorable circumstances. Both teams showed a powerful defense but neither had quite the needed scoring punch to push the ball over the last chalk mark. The most thrilling moment of the game came during the final quarter. Morgan Park turned on a burst of power and charged to the Phillips' 6 yard line. The crowd, so thrilled by the advance, crowded down on the field yelling encouragement, thus making it impossible to hear signals. The ball was snapped back into more neutral ground. Captain Schwarz, the great Green and White star, was the most brilliant performer on the field. His frequent and successful runs aided Impeh in threatening the Phillips goal, although not seriously, throughout the game.

SWIMMING TEAM

The Seniors completed an unusually successful season, especially the second semester, in which they finished in a tie with Hirsch for second place in the South Section. Due to the fine coaching of "Pop" Maysack, they lost only one meet, that one going to the section champions, Tilden. The Juniors finished with three wins and were defeated six times.

Co-captain "Yutch" Overman, the senior star, was not only a consistent winner in the league meets but also received a second and a fifth in the State Meet, two seconds in the City Meet, and a second and third in an invitational meet at the Lake Shore Athletic Club. Coach Maysack acclaims Bill to be "second to none as the greatest swimmer to ever represent Morgan Park," and expects Bill to have a great future in college competition.

The names of Co-captain Alan Lidster and Johnny Stearns were almost invariably seen in the Senior winning column and this pair, combined with Overman, played the principal part in the team's success.

Fred Baldwin was captain during the fall semester and his absence was greatly felt after he became ineligible in February.

Captain Dick Armstrong was the junior star and received a second and a fourth in the City Meet. Other Junior qualifiers in the City Meet were: Art Pope, Junior back-stroker; and the medley relay consisting of Art Bethke, Art Pope, and Jack Grosscup.

BASKETBALL

Every year the coach must rebuild the Empehi quintet. This year Coach Baldwin, molded a team which, by the end of the season, was running in smooth fashion. The practice games looked rather discouraging. However, during the University of Chicago Annual Prep School Tournament in which Morgan Park defeated a favorite to win, La Grange, by a score of 31 to 28, the heavies finally clicked. The game with the powerful Roosevelt team, found the score a mere 33 to 30 for Roosevelt. After this pair of games, the team opened the season with a smashing victory of 27 to 13 over Harper. In the second game the quintet was unable to erase the lead chalked up by Calumet in the first part of the game and emerged on the short end of 51 to 21. Not daunted by their previous defeat the Empehi fellows captured the next two games and finished the season with a .500 average.

Major letters were awarded to the regulars, which consisted of co-captains Leigh Gassler and Tom Gainer; Al McNeill, high point man throughout the season; Si Schuffert, one of the principal mainstays of the squad; Art Pope and "Red" Morrow, who alternated at guard. Other members who received letters were Bob Havey, Bob Mathers, John Orr, Chandler Scott, and Byron Strandberg, manager. Banger and Snyder didn't see much action as they joined the squad at the end of the first semester.

A great deal of the team's success is due to Coach John Baldwin who was, for a period of three years a member of the Notre Dame varsity and during his last year occupied the team's captaincy as well as being an All-American selection. The players feel very fortunate in being able to have played under Baldwin and feel they have benefited greatly by his coaching.

LIGHTWEIGHT BASKETBALL

The lightweight's unsuccessful season can be attributed to the fact that not once, during their entire season was the complete team in one game together. During the practice season the team missed Paxton, Kosel, and Aphing, all of whom joined the squad in February. During the regular season the team missed Captain Bob Johnson, who was injured; and Bert Hill, who left Empehi in February. Had all these players been together, the results might have been different.

Major letters were awarded to: John Dillon, Bill Blood, Orton Alkire, John Harta-

nov, and Bud McKinley.

TENNIS

The tennis team showed little promise of success at the beginning of the season due to the fact that there seemed to be limited material. Under the able coaching of Dick Tweedie, however, a fairly strong team was developed. In the first meet, Empehi was defeated by Blue Island, and in the following match Joliet showed its superiority by winning. Spurred on by previous defeats, Morgan Park won two victories over Hirsch and Lindblom but lost the final meets to Parker and Calumet.

The fellows participating in the meets during the season were Paul Brown, George Provancha, Lee Taylor, Robert Schrage and Alex Buynitzky.
